Videocom Systems
64-45 Booth Street
Rego Park, NY 11374
Phone: (718) 459-3761
www.videocomusa.com

To Whom It May Concern:

Videocom has installed security cameras and digital recorders for our Clubs in New York and Atlantic City. Soon, Videocom will install the same equipment in our Las Vegas Club as well.

The systems are great and helped us not only to better handle security matters but also manage the business locally and remotely. I would personally like to thank Videocom for an outstanding job performance.
