Flushing, NY 11366

To Whom It May Concern:

It is our pleasure to provide a letter of reference to Videocom regarding the systems they have installed here at our Synagogue and School in Flushing Queens.

Three years ago, we awarded to Videocom the installation of a 32 Security Cameras Surveillance System and a multiple entrance Audio/Video Intercom System. Both systems were installed in a professional manner and they have been working perfectly ever since they were installed.

Just once, after the Hurricane Sandy, we had an electrical outage that created some disturbances on our systems but Videocom came right away and fixed the problems and put our systems back in order.

We would like to thank Videocom for making our temple and school a safer place protecting our children, staff and edifice as a whole.

Sincerely,

Mel Kaufman  
House Chairman
