64-45 Booth St., Ste. 210  
Rego Park, NY 11374

Dear Paul:

This letter is to express my gratitude for the work VideoCom Systems has done in my restaurants. As you know, I used to have another security company that did satisfactory work for me but your installations were totally outstanding.

Never before had I thought to have such quality work and follow up service at such competitive prices. In addition, I would like to recognize that VideoCom performed so consistently in my restaurants that all of my GM's were unanimously satisfied about cameras field of view and quality image. This leaves me with only one grater desire to do work with you in the future.

Thank you for all your hard work and dedication, I will recommend VideoCom Systems to anyone I hear in need of a video camera security system.

Sincerely

Lenny LaRussa  
Director of Operations
